

Milnerton Cricket Club

Chairman's Report 2010/11 Season

Club of the year 2009/10 was the bench mark for the season to come, not an easy platform to launch from. However we as a committee and club believed there was plenty of room for improvement. This was however easier said than done and we failed both on and off the field to improve on last season's performances. I must stress as negative as it may appear most clubs in the Western Province Cricket Association would have if they had had the same season without a doubt viewed as a very successful season. I am gauging it on the high standards we set out for ourselves at Milnerton Cricket Club.

I would like to thank the committee, members and families for the time and effort they have put in over the past season. On and off the field we incurred setbacks. Off the field we incurred the disappearance of a vital position of grounds coordinator which led to the over burden on other portfolios. On the field injuries to key players led to the failure to gain promotion to the 1B by the narrowest of margins. These factors I believe played a major role in us not achieving the original goals set out at the beginning of the season. These factors occur in all aspects of life, how we handle them determine the difference between success and failure.

Looking forward I believe we can learn from these minor setbacks and become Club of the Year once again in the not too distant future. This will however require a concerted effort by all club members working together as one. As I always preach UNITY is STRENGTH.

As Chairman I would like to wish all those seeking re-election or election to committee positions the best of luck. Milnerton Cricket Club is honoured to have such a high calibre of person willing to serve, mostly on a free and gratis basis.

On a personal note I am not making myself available for re-election as Chairman and would like to say thank you to all for the support over the past 3 years it was indeed a honour and privilege to be associated with such a wonderful Cricket Club.
